Attention students, staff, parents/guardians, and residents who may be driving on our campus at any given time; this is a reminder to please be aware of your surroundings at all times when operating a vehicle on our campus or walking on our campus. The start and end of the school day brings traffic congestion to our campus as everyone is in a hurry to arrive before the bell rings. For the safety of everyone on our campus, it is very important that both drivers and pedestrians slow down (15 mph speed limit) and pay attention at all times, but specifically at arrival and dismissal time. State law says vehicles must yield to pedestrians in a marked or unmarked crosswalk. However, pedestrians must be aware of and obey all traffic control signals. Please be mindful of these laws when entering our campus to ensure the safety for all. Administration
