

This is a reminder to all students that all vehicles must be registered and must display a school issued parking permit to park on school property during school hours. Parking permits are available from Mrs. Faller in the main office before school, after school, during study hall, and lunch. There will be no warnings issued for students parked on school property without a valid parking permit and all unregistered vehicles will receive a parking violation. **Students with parking permits are reminded that they may only park in their assigned lot.** Please make sure your parking permit is displayed.

If you are interested in playing games competitively in esports, join us Wednesday, Sept. 3rd, right after school in Room 188 (Tech & Engineering Lab) for an informative meeting. We'll cover season dates, expectations, required paperwork, and everything you need to know to be on a team. Games include Rocket League, Marvel Rivals, Valorant, Super Smash Bros, Fortnite and many more. Questions? Contact Mr. Krause.

Are you interested in journalistic writing, photography or podcasting? If so, consider joining **The Township Times**, the school's online newspaper! The first meeting of the year will take place on September 11th from 2:30-3:30 in the auditorium. We're excited to see you there!

The Manheim Township Field Hockey Team is looking for 2-3 managers for the fall season. Managers would be expected to attend all games, both home and away.
