

This is a reminder to all students that all vehicles must be registered and must display a school issued parking permit to park on school property during school hours. Parking permits are available from Mrs. Faller in the main office before school, after school, during study hall, and lunch. There will be no warnings issued for students parked on school property without a valid parking permit and all unregistered vehicles will receive a parking violation. **Students with parking permits are reminded that they may only park in their assigned lot.** Please make sure your parking permit is displayed.
