- Please return this form to Mrs. Sweeney in Room 229. We will do our best to find a suitable tutor as soon as possible. (In some instances this may be difficult, and due to the nature of this volunteer program, we cannot guarantee that a match can be found.)
- If we are successful in finding a match, you will receive a pass to meet with your tutor. Tutoring sessions are typically held in the HS Library. It is important that you show up for your tutoring sessions. If you repeatedly do not show, you will lose the privilege of a tutor. Communicate with your tutor and contact him/her if you cannot show up on a specific date.
- If there are problems with your specific tutor and/or you have questions or concerns, please contact Mrs. Sweeney in Room 229.
