Summer School 2026: Registration opened, April 8th. Please read the Summer School Packet (posted on Schoology) carefully in order to gain understanding of courses offered, course requirements, cost and registration information. Questions can be directed to your School Counselor, Assistant Principal, or by emailing summerschool@mtwp.net. *We are looking forward to a productive Summer!*

Attention all musicians! The High School Marching Band is forming for the 2026 season, and we're looking for talented players like you! If you'd like to join the percussion section, stop by Room 152 to see Mr. Siegel and pick up the music for the placement audition. We're also looking for skilled piano players to fill our synthesizer and keyboard bass parts. So if that's you, we want to hear from you! Ready to sign up or want to learn more? Visit our website mtmb.mtwp.net to register for the upcoming season or find more information. We hope to see you at our kickoff meeting on April 27, where we will get organized for the new season and reveal the theme of this year's field show! [Come be a part of the Marching Band!](#)

The High School Color Guard is now forming for the 2026 season, and we want YOU to be a part of it! Color Guard combines dance styles like ballet, jazz, and modern dance with equipment like flags, rifles, and sabres to visually bring the marching band's music to life. It's an incredible performance experience, and no prior experience is required. We'll teach you everything you need to know! Skills clinics begin Thursday, April 9th, and are held weekly on Tuesdays or Thursdays from 3 to 5 PM. April clinics will take place in the Middle School cafeteria, with all later clinics moving to the High School band room. If you're interested or have questions, stop by Room 152 and see Mr. Siegel.
