

TODAY IS A PRIMETIME DAY.

A reminder to all students: as the temperatures rise the dress code as published in your handbook remains the same. **YOUR ENTIRE TORSO MUST BE COVERED!** Skirts, shorts, and rompers need to be past finger length. Additionally, hats and hoodies need to remain off in class and within the hallways. Administration

Lockers: Whether you use your assigned locker or not you must empty your locker, leave the door open with the lock locked on the hasp. Failure to do so will result in a \$10.00 locker clean-out fee. Seniors will clean out their lockers during English class on Tuesday, May 29th and must have their lockers cleaned out by the end of the day, Tuesday, May 29th. We will run a Primetime schedule on Tuesday, June 5th for underclassmen to clean out their lockers. Please stop by the main office if you don't remember your locker combination prior to your locker clean-out day.

Summer School packets are now available for the 2018 year. There are two options to get the information. Option 1 is by accessing the 2018 Summer School Packet through our iPads iBooks section. Option 2 is to pick up a hard copy in the high school guidance suite. Registration is open. Please read through the entire document and expectations and consult with your counselor, Dr. Weber, or Ms. Niemi if you have further questions.

Attention Senior students: Your iPad collection will take place in the library. You can turn in your iPad before school, after school or during study hall on Friday, May 25th and Tuesday, May 29th. If you'd like to keep your iPad to study or continue working on a final project, you can choose to turn in your iPad after each exam period Wednesday, May 30th through Friday, June 1st. Information is posted on the ramp.

Students: Lost chargers will NOT be covered under the iPad protection plan. The plan "does not provide coverage for dishonest, fraudulent, intentional, or negligent" actions. A theft claim requires a police report to be filed.

Students in grades 9-11: You now have access to 200GB of free storage in iCloud to back-up your iPad prior to collection. Instructions for setting up your Managed Apple ID can be found in iBooks on your iPad.
