

**STUDENT ACTIVITY FEE FORM
2018-2019**

For the 2018-2019 school year, student activities fees are \$50 for each activity, maximum \$150.00. The purpose of the activity fee is to off-set costs (coach/advisor stipends, transportation and equipment) associated with the implementation of Manheim Township's extracurricular programs in grades 7-12. No student will be required to pay for more than three activities (Max of \$150 per student). **If a student/family is concerned as to the ability to pay the activity fee, please complete the waiver portion below and submit in a sealed envelope (for confidentiality) as listed below.**

The activity fee must be paid upon the completion of tryouts and/or reporting of roster. (Failure to pay the activity fee will deem the student ineligible to participate in the activity until payment is made). If the activity involves cuts, the fee should not be paid until the final team selection is made. The activity fee does not guarantee playing time.

Checks should be made payable to Manheim Township School District. The check and this form should be submitted to your coach or activity advisor.

If you have any questions, please contact the Manheim Township Athletic Office at 717-560-3098.
