**Cyber Seniors is back!** On October 9<sup>th</sup>, 16<sup>th</sup>, 23<sup>rd</sup> and 30<sup>th</sup> at the MT Public Library, we will need many student volunteers to teach senior citizens how to use technology. Last year our group was really active and helped teach everything from how to use an iPhone and turn on an iPad to setting up Facebook, Skype, Twitter and Instagram accounts. The older generation sometimes finds technology to be a bit of a mystery. You are all digital natives. Please consider teaching what is easy for you to use in your daily life to people who genuinely want and need to learn to use technology. Stop by the high school library TODAY to sign up to help at one or more sessions. Transportation provided for those who need it.
