Prepare To Be Excellent

The Messiah Women's Soccer Coaching Staff is excited to invite you to the 2019 Messiah Soccer High School Team Camp. The camp will be held from August 1-August 3, 2019 on the campus of Messiah College at the Starry Athletic Complex.

The Messiah Women's team camp will be technically intensive, but also provide training in taking the technical to the game. Throughout the three days of this camp your team will be challenged both on and off the field in preparation for your upcoming season. Each team will receive high-level coaching from one of the members of our elite Camp Coaching Staff. The appointed coach will take the lead on training sessions, giving you as a coach the opportunity to step back and watch your team train "The MESSIAH WAY." The evening sessions will allow you the opportunity to play 11vs11 against other teams that are attending camp. You will play multiple games against different opponents throughout the weekend. Goalkeepers will receive instruction in individual and team settings.

Off the field, your team will be challenged through team activities relating to topics such as unity, selflessness, leadership, discipline, work ethic, and excellence.
