

Keystone Testing Reminder: Please note that we will be on a modified 2.5-hour delay schedule for Keystone Testing the following dates 5/20/19, and 5/21/19. All Freshmen will report to school at the regular time on these dates to participate in the Freshman Academy. Students of all grades taking the Keystone Exams on these dates will also report to school at the regular time for Keystone testing. AP and IB students are reminded to report on time for their scheduled exams. Students who are not freshmen or who are not taking Keystone, AP or IB Exams may opt to report at the delayed start time (period 1 will begin at 10:00 am).

Attention All Students: Upon arrival to school all bus riding students are expected to exit their bus and enter the building immediately. At dismissal time, students should report to their buses. Students who walk or who are car riders are not permitted to walk within the bus loading area. Additionally, all students are expected to leave crosswalks open for the movement of other students and staff. Your cooperation will help our transportation department maintain a very difficult schedule.

Senior Meal Plan Balance - Please check your meal plan account to see if you have a balance due. The easiest way to pay would be directly to the cashiers in the cafeteria. You can use your online account if you have that option set up, but some of the balances are low enough that paying the convenience fee isn't worth it. We suggest paying the cashiers whenever possible. Checks should be made payable to MTSD Cafeteria Fund. **Any balance due must be paid by June 4 in order to participate in the graduation ceremony.** MTSD Food Services
