

# Schoology® for parents

## What Is Schoology?

Teachers use Schoology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoology Parent Account gives you access to:

- The classes your child is enrolled in.
- Your child's upcoming assignments.
- School and class announcements.

To access Schoology, navigate to [www.schoology.com](http://www.schoology.com). Select **Sign Up** and choose **Parent** from the options in the drop-down menu. Enter your **Parent Access Code**:

Contact one of your student's teachers for this code!

The screenshot shows a dark blue toolbar with a white dropdown arrow next to 'Parent Name'. The dropdown menu is open, showing a list of items: 'Parent Name' with a green checkmark, 'Student Name' with a blue profile icon and the text 'Manheim Township Scho...', 'Add Child' with a blue plus icon, 'Your Profile', 'Manheim Township Scho...', 'Settings', and 'Logout' with a blue arrow icon.

Use the **arrow** next to your name in the **toolbar** to view your student's courses and assignments, add other children in the district, or adjust your notification settings.

**Parent Email Digest:** a brief summary of your child's activities emailed to you as often as you'd like.
