

## Manheim Township Freshman Boys Basketball - Junior High Tryouts

Players will be given the first three days of practice to attempt to make one of our three junior high basketball teams. The 9th-grade team is primarily reserved for 9th graders but some 8th, and in rare cases 7th graders, may be given the opportunity to play. In very competitive years, the staff may have a first round of player cuts after three tryouts and a second-round on four or five. All players will know, in advance, if extra days will be used for tryouts.

**Freshman Tryouts: Dates in bold are tryout dates. The rest are regular practice dates before the Thanksgiving holiday.**
