

For teachers
OR students
logging in
manually

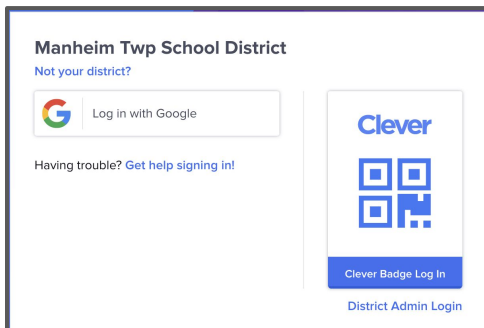

Clever

1. Go to Clever.com/in/mtwp
(you will have to select your school the first time)

OR

Use the Clever app and 

2. [Login with Google](#)

Student Google Login

username@students.mtwp.net

Username = graduation year + first six letters of last name + first two letters of first name

Note: For K-6 the email address is not activated, but they can use it as a login.

Password: Student ID + 123

Example: Student ID = 900888, then password = 90888123

3. Select the application you would like to use

Instant Login Applications

 BrainPOP  BrainPOP Jr.  Seesaw

Other Websites

 MTWPNET

More Apps

 IXL  Splash Math

If students have the Seesaw app on your iPad, it will automatically open the app and should keep you logged in.

BrainPOP, Splash Math, and IXL will open through your web browser.
