

**Manheim Township
High School**

**Summer School
Information
2020**

****Registration opens May 11, 2020****

General Information

The Summer School Program developed by the Manheim Township School District offers students an opportunity to expand and/or strengthen their knowledge of concepts and skills. Curricular guides used during the regular school term are followed by summer school teachers to present courses for which students will receive credit, with the exception of courses taken for grade improvement. For summer 2020, all courses will be run virtually. Many courses will contain an orientation meeting, listed below. A parent is encouraged to attend the orientation meetings with the student.

REQUIRED ZOOM ORIENTATION MEETINGS:

<u>Geometry:</u>	<u>Time:</u>	<u>Zoom Meeting ID:</u>
Thursday, June 4	7:00 PM	983 5756 2401

Thursday, June 4	7:00 PM	981 8495 4299
<u>Health (Students are required to attend one of the following):</u>	<u>Time:</u>	<u>Zoom Meeting ID:</u>
Monday, June 8	11:00 AM	914 3011 698
Tuesday, June 9	11:00 AM	933 1987 8120
<u>PE (Students are required to attend one of the following):</u>	<u>Time:</u>	<u>Zoom Meeting ID:</u>
Monday, June 8	10:00 AM	960 3767 4634
Tuesday, June 9	10:00 AM	998 7898 9606
<u>LLVS Courses (Students are required to attend one of the following):</u>	<u>Time:</u>	<u>Zoom Meeting ID:</u>
Session 1:		
Thursday, June 11	10:00 AM	718 681 4754
Thursday, June 11	6:00 PM	972 0105 1035
Monday, June 15	10:00 AM	928 8226 5297
Monday, June 15	6:00 PM	970 8744 1426
Session 2:		
Thursday, July 2	10:00 AM	988 3606 7127
Thursday, July 2	6:00 PM	957 3845 4547
Monday, July 6	10:00 AM	986 1470 5707
Monday, July 6	6:00 PM	943 0281 1149

COURSE START DATES:

Tuesday, June 9 - MTSD Virtual Classes will begin. This includes Health, PE, Geometry, PFL, Honors Physical Science

Monday, June 15 - Session 1 of LLVS Credit Recovery Classes & LLVS Advanced Credit Classes begin

Monday, July 6 - Session 2 of LLVS Credit Recovery Classes begin

See individual course listings for specific class dates and times

Costs, Payments, & Enrollment Information

Cost for Manheim Township Residents:

- \$300 MTHS Virtual Courses
- \$300 for LLVS Virtual Credit Recovery Courses
- \$500 for LLVS Advanced 1 Credit Courses
- \$300 for LLVS Advanced 1/2 Credit Courses
- *Reduced rates are available for people that qualify for free and reduced lunch

Cost for Non-Residents:

- \$350 MTHS Virtual Courses
- \$350 for LLVS Virtual Credit Recovery Courses
- \$550 for LLVS Advanced 1 Credit Courses
- \$350 for LLVS Advanced 1/2 Credit Courses
- *Reduced rates are available for people that qualify for free and reduced lunch

A **\$150.00 deposit** (per class) is due with the registration form and the balance is due before first class meets.

MTSD Physical Education, Health, PFL, Geometry, and Honors Physical Science courses have a maximum enrollment of 25 students. A waiting list will be maintained for students if the maximum enrollment is exceeded.

REGISTRATION: Students will be registered on a first come, first served basis. Priority will be given to upperclassmen attempting to recover a credit. A waiting list will be created for courses if necessary.

Guidelines and Expectations

Manheim Township Summer School offers online courses through MTSD teacher created courses and Lancaster-Lebanon Virtual Solutions (LLVS). All school rules apply for students in the virtual setting. Please refer to the 2019-2020 Student Handbook, located under High School Downloads & Documents on the Manheim Township District website for specific school rules of conduct.

Students are expected to follow the suggested pacing for each course. Instructors will regularly record student progress in the virtual platform to keep students and parents/guardians updated. Students and parents/guardians are encouraged to check student progress regularly and contact the instructor with any questions or concerns.

If you have any questions about summer school procedures, please reach out to Lisa Lyons at lyonsli@mtwp.net.

NOTES REGARDING NON-MTHS SUMMER SCHOOL COURSES:

1. Prior approval is required through the MTHS Counseling office in order to receive credit for any advanced or credit recovery summer school courses from other school districts.
2. The only summer school PE courses that will be accepted for credit are through Manheim Township School District, School District of Lancaster (McCaskey), and Harrisburg Area Community College (HACC) Dual Enrollment (must meet with your counselor.)

COURSE OFFERINGS - MTSD VIRTUAL

Virtual Health (sum.00.01)

Credits: .5 (this course satisfies the Health requirement for graduation)

Cost: \$300

Grades: 10, 11 & 12

Course Window: June 9 - July 17

This course includes an examination of mental, emotional, physiological and social health issues of young adults. Emphasis will be placed on healthful decision-making, long and short-term goal setting; looking into the future of one's quality of life will be discussed, debated and researched. Students will be engaged in learning aspects of human anatomy and physiology related to problems associated with disease prevention and how to determine and access good healthful information based on reliable media and other associated sources of information. *Students **must** attend **one** of the orientation sessions as listed below (may attend both).*

Orientation (Students are required to attend one of the following):

Time:

Zoom Meeting ID:

Required: Monday, June 8

11:00 AM

914 3011 6980

Required: Tuesday, June 9

11:00 AM

933 1987 8120

Virtual Personal Financial Literacy (sum.00.02)

Credits: .5 (this course satisfies the Financial Literacy requirement for graduation)

Cost: \$300

Grades: 11 & 12

Course Window: June 9 - July 17

In this course, students will learn to make informed decisions as consumers. They will develop knowledge and skills related to income and responsible spending, including: banking, financial planning, credit, saving, investing, and purchasing insurance. Personal finance and business simulation software is used extensively through the course to provide unique, authentic experiences that require conscientious decision making.

Students who have passed the classroom Personal Financial Literacy or Honors Personal Financial Literacy course are not eligible to take this course. This course satisfies the financial literacy graduation requirement.

Virtual CP Geometry (sum.00.11)

Credits: 1.0

Cost: \$300

Grades: 9, 10, 11, & 12

Course Window: June 9 - July 23

This course builds on the concepts and skills developed in CP Algebra 1 and geometry skills developed throughout previous courses. While there will be suggested and set due dates, the online format of the course will allow students the flexibility to set their own schedule and work at their own pace. Given the course timeframe, students will learn roughly two chapters per week, and should allow ample time to learn and practice the content. Learning will take place through direct instructional videos, interactive online work spaces such as Classkick, projects, Schoology discussions and assessments, as well as optional weekly Zoom meetings with the instructor.

Orientation (A parent is encouraged to attend with student) :

Time:

Zoom Meeting ID:

Required: Thursday, June 4

7:00 PM

983 5756 2401

Virtual Honors Physical Science (sum.00.20)

Credits: 1.0

Cost: \$300

Grades: 8, 9, 10

Course Window: June 9 - July 23

This course is for accelerated and self-motivated students who excelled in Algebra 1 (85% or higher) and science in 8th grade (89% or higher) and would like to take Physical Science before the beginning of the school year. Students who have excelled in Algebra IA and Life Science (85% or higher in both) may take this course at the end of their 9th or 10th grade year. For those students who are motivated to work hard, this course will cover the essential content of the traditional Honors Physical Science course in order to prepare them to take Honors Biology, Chemistry, and Physics. **This course will be entered as PASS/FAIL for 8th graders. All other students will have a grade and percentage issued to their transcript. This schedule is based on current calendar parameters which are subject to change.**

Orientation (A parent is encouraged to attend with student) :

Time:

Zoom Meeting ID:

Required: Thursday, June 4

7:00 PM

981 8495 4299

Virtual Traditional Physical Education – Sports and Fitness Course 1 (sum.0.21)

Credits: .5 (for credit recovery or advanced credit)

Cost: \$300

Grade: 8, 9, 10, 11 & 12

Course Window: June 9 - July 17

This course is intended for those students wishing to earn one of the three required credits in physical education. Normally this course is completed in school, several hours a day, for a few weeks. During this online adapted version of the course, participants will be expected to perform, and submit, weekly workouts using a school-issued heart rate monitor. Students will also participate in online learning with an emphasis on project-based activities. This online learning will take place on Schoology. Grading will be based on the combination of workout criteria and Schoology projects. Once registration is completed, students will be contacted about receiving the heart rate monitors.

Orientation (Students are required to attend one of the following):

Time:

Zoom Meeting ID:

Required: Monday, June 8

10:00 AM

960 3767 4634

Required: Tuesday, June 9

10:00 AM

998 7898 9606

COURSE OFFERINGS - LLVS VIRTUAL CREDIT RECOVERY

Session 1: June 15 - July 2

Session 2: July 6 - July 23

Ancient World History (sum.00.04)
Modern World History (sum.00.05)
United States History (sum.00.06)
United States Government (sum.00.07)
Virtual Math: CP PreAlgebra, CP Algebra 1, CP Geo, CP Alg 2 (sum.00.10)
Life Science (sum.00.12)

Physical Science (sum.00.13)
Biology (sum.00.14)
Chemistry (sum.00.15)
Physics (sum.00.16)
English: Grades 9-12 (sum.00.19)

Credits: 1.0 (for credit recovery only)

Cost: \$300 for Credit Recovery

Grades: 9, 10, 11 & 12

All of these courses can be taken by students who have previously failed these courses or would like to take the course for grade improvement without credit. The online course work is delivered through Lancaster Lebanon Virtual Solutions (LLVS) and the Geniussis Online Program: The Geniussis Online Program is designed so that students can move through it at a pace that meets individual needs. Accommodations and modifications are made on an individual basis for students who need specially designed instruction.

KEYSTONE EXAM: We will be looking to PDE for direction moving forward with the Keystone Exam. Typically the Keystone Exam is taken at the end of the summer school to any student needing to retake the exam for Algebra 1, Biology, or Literature. Once we have more information from PDE, instructors will reach out to students and families.

Orientation (Students are required to attend one of the following):

Time:

Zoom Meeting ID:

Session 1:
