

Attention all 9th-11th grade students: If you are interested in taking the PSAT on October 17th all registration will be done through mail this year. This is a reminder to all students that all vehicles must be registered and must display a school issued parking permit to park on school property during school hours. There will be no warnings issued for students parked on school property without a valid parking permit and all unregistered vehicles will receive a parking violation. **Students with parking permits are reminded that they may only park in their assigned lot.** Please make sure your parking permit is displayed.

Student's purchasing lunch in the cafeteria must have their id card with them to purchase lunch.

Student masks and water bottles: Students are reminded to launder their cloth masks and wash their water bottles daily. There is a place on the bottles for the student to write his/her name. Students are encouraged to bring their water bottles full each day but may also use the water bottle fillers throughout the day. (NOTE: we will have disposable water bottles and/or cups for those that need water)

Seniors and Juniors whose schedules allow for late arrival or early release must apply for the privilege. Qualifying students will be approved based upon good academic, disciplinary and financial standing (school debt-free). Forms are available in the main office at Mrs. Loke's desk or can be downloaded from the HS web page (HS Downloads & Documents). Once your application has been reviewed, you will receive a status update email from Mrs. Loke letting you know if your application has been approved (it will include a start date) or denied (will inform you of the reason for the denial). **You may not arrive late/leave early until you receive this confirmation email.** Please allow at least 24 hours for approval.
