

This is a reminder to all students that ALL vehicles must be registered and must display a parking permit to park on school property during school hours. The parking lots are becoming very full and students with parking permits are reminded to park in their assigned lot. **Arriving late to school does not give you permission to park in a lot that is not assigned to you.** Students, please make sure your parking permit is displayed when parked on school property during school hours. There will be no warnings issued for unregistered vehicles parked on school property.

Midyear Grades and Transcript Requests - Midyear transcripts will not be sent until after report cards are posted in early February. It is your responsibility to know if a college requires your midyear grades. Please check your common app, college website, or applicant portal. If your school requires a midyear transcript, you must submit a **Midyear Transcript Release Form**. You can pick one up from the Counseling Office or access it on schoology.

Students: Beginning next Monday, February 3, no food will be permitted in the library. Breakfast & lunch should be eaten in the cafeteria. Thank you for helping us keep our library clean.

With Valentine's Day just around the corner, please consider supporting UNICEF by buying some Valentine goodie bags! They're sold at all lunches and online through a form linked on the MT UNICEF Instagram page. They will be available February 3 to February 10 at all lunches. All proceeds go to UNICEF. UNICEF is an organization that supports children in need around the world.
