Attention 9th, 10th and 11th Grade Students: The High School Color Guard is now forming for the Fall 2025 season. Color Guard is an artistic performance sport that utilizes elements of ballet, jazz & modern dance choreography, as well as rhythmic gymnastics, and combines them with routines featuring equipment such as flags, rifles and sabres, all to visually represent the music being performed by the marching band. No experience is required - we'll teach you everything you need to know at the upcoming basic skills clinics. These clinics take place weekly, either Tuesdays or Thursdays, from 3PM-4:30PM. All clinics in March will be held in the Middle School cafeteria; all others will take place in the High School band room. We need you to get involved! See Mr. Siegel in Room 152 with questions or to learn more about Color Guard!
