What if you had the opportunity to learn to avoid an accident on a slalom driving course? Or learn to safely recover control of a vehicle skidding on wet pavement? If you could have this actual behind the wheel training with a professional driver in the car guiding you through the proper steps and could practice it several times, would you want to do it? FOR FREE!! The Manheim Township Lions Club is sponsoring this opportunity for any of our students age 16 - 19 who are licensed drivers. The course is normally \$99 for a 4 hour training session - 1 hour of class and 3 hours of behind the wheel actual training in accident avoidance, panic stopping, car control skid recovery and more. The Lions Club has given Mrs. Mitchell 30 vouchers to take this course for FREE on April 6th or 7th at the Manheim Auto Auction. If you are interested, just stop by the main office and ask for a voucher. You need to know that this program costs the Lions \$99 for each student voucher, so you will need to give them a check when you register to hold your seat. When you show up for the training, though, they will give you your check back. If you do not show, they will cash your check to cover their cost of the empty seat. For more information, you might want to go to YouTube and check out the Manheim Safe Driving Project. Vouchers will be available until all seats are filled. Administration

**The high school marching band** is currently recruiting for the upcoming fall 2013 season. In marching band, we are individuals who come together to form a giant team whose many parts work together seamlessly. We are one of the most visible parts of the school and community, performing at pep-rallies, football games, and band competitions throughout central Pennsylvania during the fall.

The Manheim Township Marching Band is made up of over one hundred members who not only play music, spin flags, and march drill, but also support one another on and off the field. Join the Manheim Township Marching Band, and become part of something more than yourself - learn music, make friends, and create memories that will last a lifetime!

Openings currently exist for woodwind, brass, and percussion musicians, as well as in the color guard. Even if you don't already play an instrument or have color guard experience, if you are willing to work hard we can teach you the skills you need! If you want to be a part of the team, we can find a role for you! Visit our website for more information, <http://mtmb.mtwp.net>, come to our Marching Band Open House at the High School on Tuesday, March 5<sup>th</sup> at 7:00 PM, or stop in Room 152 and speak directly with Mr. Siegel.
