

Please be aware that the Board just adopted a **new visitor policy** and the guidelines are a bit more stringent than in the past. All visitors to the school during the school day must have a pre-arranged appointment to be allowed beyond the main office and into the school. This includes, but is not limited to parents and former students. A copy of the new Policy #907 can be found on the district website under the School Board pull down menu in the policy section.

All students who signed up for the blood drive, please report promptly for your appointment time to room 161 on Friday. It is recommended that you know your social security number. If you are 16, be sure you have your signed consent form. Extra copies can be picked up from Mr. Davis in room 230 on Wednesday or Thursday prior to the blood drive. A list of appointment times will be displayed outside room 161 and on the ramp going into the cafeteria.

Hearing tests for 11th grade students remaining to be screened will take place in the health room every period Monday through Thursday of next week, 3/25-3/28. Teachers have received a list with the names of the 11th grade students remaining to be screened and will send students to the health room on the date and during the period noted. The student will return to class in a timely manner. A list of no-shows will be maintained...Don't even think about it. Teachers do not have to send students if it is not in their best interest at the time (missing a test, etc.) and may send them on the following day. Thank you to all for helping us complete the mandated screenings for this year! R. Lamp

Any 10th through 12th grade student who did not complete their course selection form should make an appointment to see their school counselor by the end of the week or your courses could be selected for you in the event there is not an opportunity to meet with you. Guidance
