

TODAY IS A PRIMETIME DAY.

Lockers: Underclassmen will be cleaning out their lockers during Primetime today, June 4, 2014. Students may keep their books until their exams but lockers must be completely empty before they go home for the summer. Students need to lock their lock on the hasp, leaving the locker door OPEN so that they will not be charged a \$10 locker clean-out fee on their debts. All underclassmen lockers must be cleaned out by June 9, 2014.

Summer School information is available and can be found on the MTWP website. There is a link on the main page of the website. Packets are also available for pick up in the High School Main Office and Guidance Office.

The last day of school, June 10th, will be an exam makeup day. Dismissal time for the high school will be 11:00 AM and buses will be leaving at that time. Administration
