Each year Prudential Insurance, in cooperation with the National Association of Secondary School Principals, sponsors "**The Prudential Spirit of Community Awards.**" These awards, of up to \$1000 with a free trip to Washington D. C. for the presentation, recognize students in grade 5-12 who make meaningful contributions to their communities through volunteer service. Manheim Township had a national award winner three years ago when Lauren O'Grady was selected for her work with Schreiber Pediatrics. Lauren created an annual dance exposition that raised thousands of dollars each year for pediatric research. If you have that volunteer spirit and strive to make a difference for others in our community, you should consider applying for "The Prudential Spirit of Community Awards Program." Application deadline is November 4th. More information is available in the main office on how to apply.

Administration

Manheim Township High School students are invited to submit applications to be one of 40 students in this year's **ACE Mentor Program for Lancaster County**. This is a great opportunity for students interested in exploring the careers in Architecture, Construction, and Engineering. See Mr. Nolt or Mr. Campbell in Technology Education department for more details. Applications are due September 30.
