Attention all students: This is a reminder that the front office is not responsible for the drop off of textbooks, lunches, sports equipment, homework, money, etc. If your parent brings something in for you, they may leave it on the bookcase in the front office or make arrangements to meet you in the main office during the change of class, you will not be called down to pick it up. If your parent leaves the item in the main office they will need to get in touch with you some other way to let you know the item is in the office. It is the student's responsibility to check for items that may have been left for them. Please also note that the bookcase will be cleared every Friday afternoon and any items still left on the bookcase at 3:30 will be disposed of/donated.
