**SENIORS:** If your college requests a mid-year transcript, then you **MUST** fill out another Transcript Request Form. These forms are available in the Guidance Office or College and Career Center. **ATTENTION STUDENT DRIVERS:** Please remember the following, which are part of the privilege of parking on campus:

- You must have a valid hang tag on your rearview mirror to park on campus
- Your tag must be visible through your windshield
- You may only park in white lined spaces in the student lots. Do not park in the teacher lot, yellow lined spaces, visitor spaces, along the curb, in front of fire hydrants, or in the handicap spaces.

These and other regulations related to the privilege of parking on campus are outlined in your signed parking agreement and serve as your only warning. If you are in violation of the parking regulations, you will be fined according to the fine schedule in your agreement. Accumulation of fines may result in the loss of parking privileges. Please understand that we know it is cold outside, but if there are no spaces in the front student lots you must go to the other student lot(s) to find a place to park and walk around to the front entrance if you arrive after the rear doors lock.
