**Seniors:** Would you like to address your class at graduation? Manheim Township's graduation speaking process is unique and entirely senior driven. The quality of your graduation program depends on you. This year's graduation theme is "Virtually Us": This theme reflects on our identities in the thick of this virtual evolution. Have these devices and platforms affected us for better or worse? How do we stay human in the face of our integrated world? Prepare a 3-4 minute speech, dialogue, song, video or presentation that addresses the prompt. Audition times are posted outside of rooms 250 and 125. Though audition material should not be memorized, composure and poise are important in the selection process. See Mr. Johns or Ms. Lepore with questions.

**Class officer candidates:**

Any student wishing to run for class officer next year needs to see their respective class advisor and sign up.

Students must sign up by Friday 4/24 at 2:30 PM to be considered.
