It may be from last year or even the MS. If you are a new student and do not have a MT ID, you may still come to the library. Just tell us that you are a new student and you will be admitted. Once new IDs are issued, you will be required to have the new ID for admission to the library. Any questions just stop by the library. Library

**Calling all parents of the class of 2016:** Please help us celebrate our children this year at post prom, a milestone celebration of their Township years. The purpose of Post Prom is to provide a safe, fun, and substance free event for each member of this great class on the night of the senior prom, whether or not prom is attended. This is a parent sponsored event; our goal is to reach out to every parent so that you know we want your help. This celebration is for everyone!! We are currently looking for help on the decorations committee and on corporate sponsorships (contacting local businesses to partner with us in keeping our kids and our community safe). It is all about coming together!! No matter what, you can contribute - your involvement is vital to the success of this outreach. Only through the power of collaboration can we truly make a difference. The planning process is just beginning!! Please contact Annie Friedrichs at 314-2200 or [annief@dhfassociates.com](mailto:annief@dhfassociates.com) if you would like to volunteer or need further information about Post Prom.
