

Attention students, staff, parents/guardians, and residents who may be driving on our campus at any given time; this is a reminder to please be aware of your surroundings at all times when operating a vehicle on our campus or walking on our campus. The start and end of the school day brings traffic congestion to our campus as everyone is in a hurry to arrive before the bell rings. For the safety of everyone on our campus, it is very important that both drivers and pedestrians slow down (15 mph speed limit) and pay attention at all times, but specifically at arrival and dismissal time. State law says vehicles must yield to pedestrians in a marked or unmarked crosswalk. However, pedestrians must be aware of and obey all traffic control signals. Please be mindful of these laws when entering our campus to ensure the safety for all. Administration

The High School Marching Band's Color Guard is now forming for the Fall 2017 season. What is color guard? Color guard is an artistic sport that combines the elements of dance styles like ballet and jazz with rhythm gymnastics, and uses equipment like flags and rifles to visually represent the music being performed by the marching band. No experience required - we will teach you everything you need to know at the upcoming basic skill clinics. Clinics will take place in the HS Band Room every Monday from 3:00-4:30 PM, through the spring. We need you to get involved. See Mr. Siegel in Room 152 with questions or to learn more about high school color guard!
