

Students arriving late to school: Please be advised that as we near the end of the school year the parking lots are becoming very full. This is a reminder that all vehicles are required to have a parking permit and must be parked in a valid parking space. You may not park along curbs, in handicapped spaces or in front of fire hydrants. Students also should not be parked in any staff lots (C and F) or any spaces with the white lightning bolts. Parking in these areas will result in a parking violation. If lot B (front lot) and lot A (band lot) are full, please move to parking lot E or D located in the back of the building. There are spaces available in lot D every day. Thank you for your cooperation!

Seniors: Would you like to address your class at graduation? Manheim Township's graduation speaking process is unique and entirely senior driven. This year's graduation theme is Stories:

Everyone has their own story and everyone perceives those stories differently. We craft new stories daily, each connecting to one another's. New stories replace old ones, and overall, life is one continuous story. Why do you embellish your own stories? What stories do you hear from other people and to what degree can you accept them as true? How do the stories you hear and tell compare to the reality in which you live?

Pick up a speech prompt sheet outside of room 125, and prepare a 3-4 minute speech, dialogue, song, video or presentation that addresses the prompt. Audition times will also be posted outside of room 125. Though audition material should not be memorized, composure and poise are important in the selection process. See Ms. Lepore, Mr. K. Kantz or Mrs. Kennedy with questions.
